TOY PROJECTOR EXPERT

Lup Shun Metal & Plastic Ware Factory was founded in 1972 in Hong Kong and mainly produced light up toys as well as many novelty toy items.

In 1980's the company moved its production plant from Hong Kong to Shen Zhen and expanded successfully.

In 1990's Lup Shun focused in research and development on toy projector and viewer, mainly optical toys, and its products became well known for its innovative ideas and quality in the industry.

In 2010 the company relocated its production plant from Shenzhen to Dongguan in order to improve its hardware and efficiency. The plant complies with international quality, social and ethical standards.

In 2020 the company developed a brand "Ambo Funtamin" to promote its educational toys for parents and children.

Today, Lup Shun is continuing to grow, improve and diversify its product range and strive to become one of the leading toy providers in the industry.
